Notes	
<ul style="list-style-type: none"> · Category B bookings are all education, quality improvement, research and translational simulation activities, including special projects and events outside of TAHSN partners. This is inclusive of for-profit organizations, industry, and all events for which participants are charged. · Cost of the session includes fees associated with one Simulation Specialist and simulators associated with location. The presence of a Simulation Specialist is required for all bookings. · If additional Simulation Centre resources (staff/equipment) are required, the additional costs will be itemized on the invoice · There is only one Debriefing Room, booking assignment of the room will be determined on a priority basis · Rates apply to sessions on Monday to Friday between 8AM to 5PM · After-hours/weekend rates are 1.5 times the regular rate · Sessions cancelled with less than 48 hours notice will be subject to a cancellation fee of 25% of the total amount · Extra two hours Set-up/Clean-up fee applies to all sessions utilizing live tissue · The Manager of the Simulation Program has the discretion to adjust fees depending on the complexity of the request. All additional fees will be clearly indicated on the invoice · An administrative fee of 7% will apply · Fees do not include HST (13%)
